WE NEED  
TO GET  
ACTIVE

Dorrell

as a  
senior citizen  
in a marginalized  
community  
I know  
first hand  
the problems

JOSH

Lets get  
CIVICS & ETHICS  
back into  
education!

QUESTIONS for  
the PANEL  
How to  
involve  
the private sector  
businesses

What can  
we do when  
so often we're  
censored?

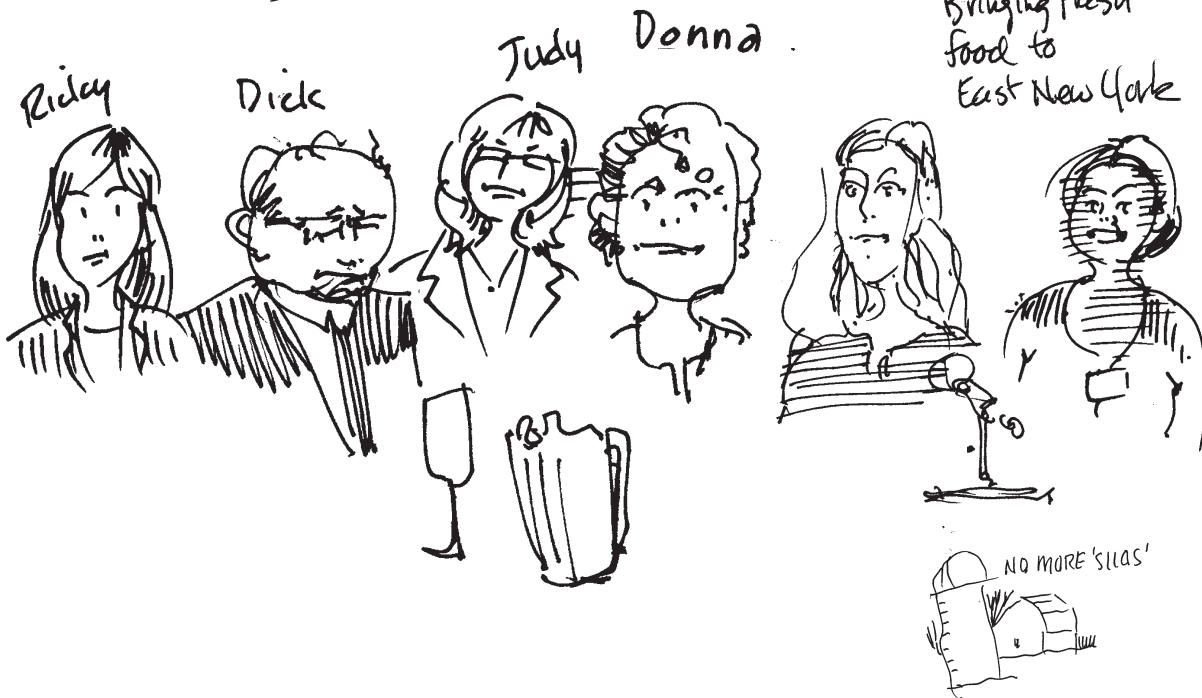

expecting our current  
system to change is  
unreasonable

kath:  
poem by  
Rilke

# healthy environments across generations June 7-8, 2012

Health & the Environment

healthy environments across generations June 7-8, 2012

What will it  
take to move  
into the future  
WE WANT?

stephen  
burdick design

Ⓢ Collaborative on  
Health & the Environment

healthy environments across generations June 7-8, 2012

Larry:  
A story of  
traveling  
in  
Cambodia

Think of  
ways to  
connect to  
your community

Nancy:

WE NEED  
create  
gathering  
places  
welcoming  
comfortable

John:

understanding  
cultural  
conflicts

consider safety  
before arts  
some people aren't  
able to think long term

healthy environments across generations June 7-8, 2012

Erika

Nature is a restorative tool. How we use it is up to us.

Larry

Health is not the absence of disease wholeness of mind body spirit

our 'unconference' some practical things to take back

Josh

getting civics & ethics into education

! what would you

- live for
- die for
- kill for

David

High Asthma Rates in the 'Toxic Triangle' X: Bronx / Sheridan  
'Bring the Arts into a health conversation w/ kids

stephen burdick design

# healthy environments across generations June 7-8, 2012

It's not  
the 'bookends'  
of generations - young & old

- discover community
- Capacity
- foster ability
- create allies
- engage together

Think across the  
Life Course  
Not just  
Girl Scouts  
in the  
Nursing  
Home!

Nancy

can  
you do  
a lot w/  
programs

Not just  
programming  
but actions

but  
doing in  
communities  
has impact!

engage  
people of all ages

we want  
to create  
resilient  
communities

It's people!

it's  
politics!  
and  
people don't  
feel the  
way you we,  
all do here!

politics  
is  
people' (go to  
A  
ROTARY  
club  
meeting)

healthy environments across generations June 7-8, 2012

"i'm 80 years old and was planning to retire, but after this conference I'm shelving that idea and taking these ideas and format back to my colleagues in Trinidad"

Dorrell Philip

not just what you're against - what you're for - sail

Do you want to Save the world or SAVOR it?

eb white

Kelly Horton Kat'i Cowell Aging

Closing thoughts:

Maria

Anthony Hiett  
violinist

Kudos to the Sound Guy!

'We've created an 'Intentional Community' here... Let's continue the momentum!'

healthy environments across generations June 7-8, 2012

Rick Moody of  
ARP  
sums up the  
(un)conference

"Every great idea  
develops into  
work."

"At the time, it was  
too early to tell the  
outcome of the  
French Revolution."

"Have you been  
saved? I don't  
mean spiritually,  
I mean your  
personal 'hard drive'  
backup. Do your  
legacy work."

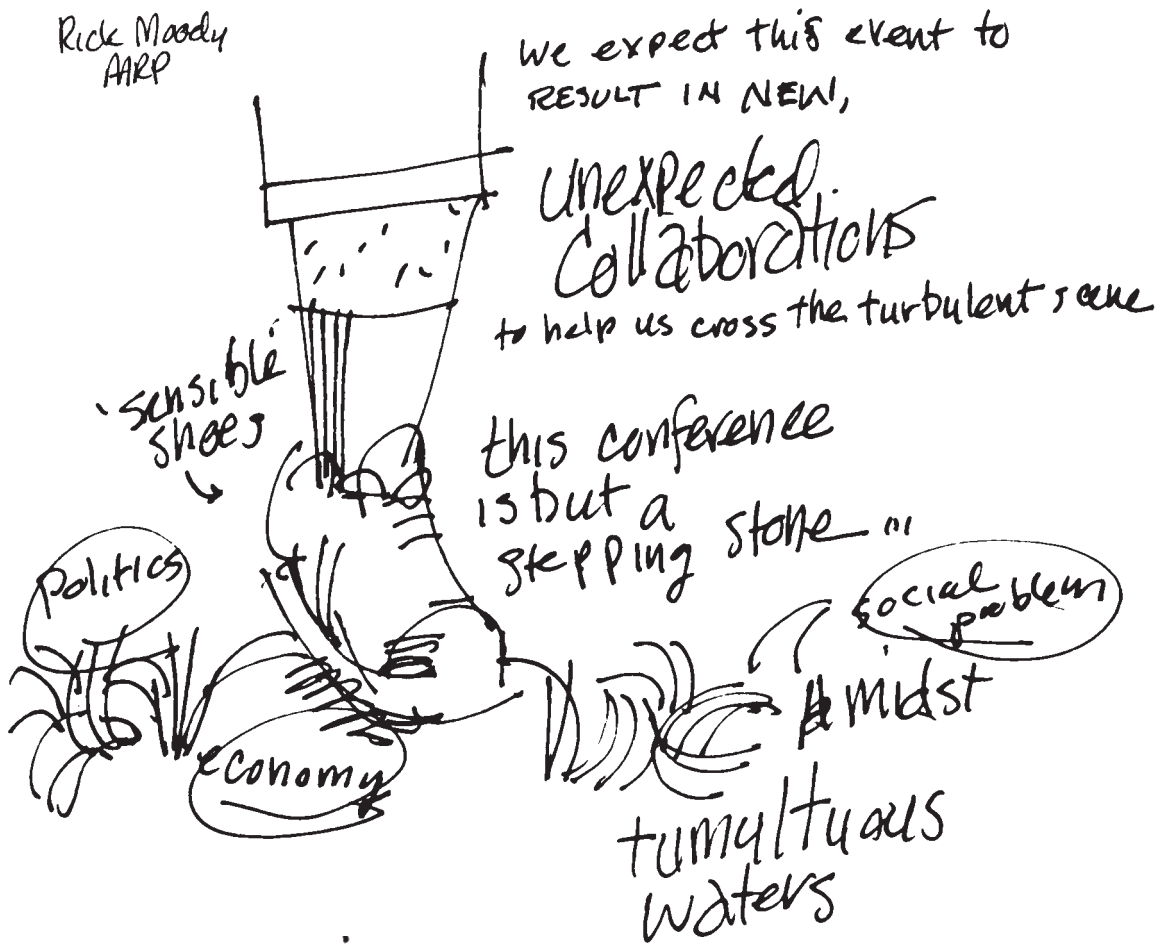

Simplicity  
's  
complexity  
Resolved!
